PARKING: when you enter the Givat Ram campus of Hebrew University, you stay on the right. You'll come to a parking lot where you can park for free. You can also continue through the parking lot on the same road, which leads down to the ORT School and the Academy High School. You may park anywhere along that road. The Academy High School is at the bottom of that road on the left-hand side. Enter the school and use the elevator.

Those arriving by bus from the central bus station can take bus #68, which will drive into the campus and arrive at the Academy High School. Or you can take bus #9 or #14 to the main entrance of the campus, and walk from there to the school, a five-minute walk.

Light Rail from the central bus station, take it two stops and get off at the Hechalutz stop (in the direction of Har Herzl). Walk uphill towards the Ramada Hotel. Make the second right by the hotel and walk straight until you hit the Givat Ram campus. It's about a 15 minute walk.
